

ALSTRONG®

ALSTRONG is pioneer & largest manufacturer of Aluminium Composite Panels in India. Established in the year 2001, Alstrong is the first company to manufacture Aluminium Composite Panels in India. The Company has plant in Jammu having annual capacity of 65 million square feet, one of the largest in the World. It has modern equipments and comprehensive testing facility suitable for the industry.

The company is ISO certified and is accredited a Green Project by State Pollution Control Board of Jammu & Kashmir. Over 21 years, it has made its mark as a pioneer and has retained its position as a leading player in the market with ACP product, quality and immense customer satisfaction.

Alstrong has recently started its second manufacturing facility in Dubai to meet the growing demand of Middle East, Australia, New Zealand & North Africa regions. In addition to a robust distribution network of 600 dealers & 14 warehouses across india. Alstrong is also present in UAE (Dubai, Abu Dhabi, Al Ain, RAK, and Fujairah), Bahrain, Saudi Arabia, Kuwait, Oman, Qatar, Egypt, Chad, Morocco, Algeria and Sudan.

Leading the way, Alstrong products are helping create the vibrant new face of the Indian millennium. We have partnered with leading architects builders, contractors and fabricators in changing the landscape of the country for the better. Alstrong is driven by its vision of creating rich visual palette through its range of architectural decor material Aluminium Composite Panels, FR A2, B1 & B2 Metal Composite Panel, Zinc Composite Panel, HPL, Metal Laminates and Partition Panel.

We believe that our brief is to create products that help unlock distinctive, long lasting and edgy creativity. Reason, why our products are designed for years of durable, maintenance-free performance across a variety of demanding environments and help create a visual aesthetic that “always looks”. A promise vividly fulfilled across signature landmarks that proudly stand the test of time, and come out with flying colours.

Delivery on time is our unswerving motto, Alstrong products reach you amazingly fast, backed by strong network of warehouses, dealers & efficient logistics management across the length and breadth at the county.
